SONOMA VALLEY TO AID ANTI-JAP CAMPAIGN

Mrs. Burlingame to Get Our Quota For Publicity Work in East.

Chas. A. Bodwell, Jr., president of the North Bay Anti Asiatic League, has been designated as the county chairman to handle the drive in Sonoma county to raise our apportionment of the $200,000 emergency educational fund of the California Japanese Exclusion League.

Mr. Bodwell was in this city Monday, and said: "We have great cause for alarm in the large sums of money being spent by pro-Japanese interests in the eastern states. Their endeavor is to create a sentiment there which will by treaty or otherwise break down our recently passed initiative law and unfavorably influence national legislation on this subject. This is the reason of the present call for funds. They are to be spent in educational work east of the Rockies. The allotment for this county is small in view of the interest, viz. $2,000."

Mrs. Carrie Burlingame has been named by Mr. Bowdell to take charge of the drive to secure Sonoma valley's quota. Mrs. Burlingame has already secured great encouragement, for Sonoma valley is fully awake to the menace.

NEW GARAGE AT FETTERS SPRINGS

A new garage fronting the highway at Fetters Springs is being built by Mr. and Mrs. George Fetters for Sutter and Hilliard of the Valley of the Moon Garage. The proprietors of the Springs have put up the garage for the accomodation of their patrons and the traveling public in general. It will be conducted along up-to-date lines and carry all auto accessories. Sutter and Hilliard have been located in the Duhring block and will move up to Fetters.

W. L. MURPHY HEARD FROM

W. L. Murphy, publisher of the Index-Tribune, writes that he arrived in Washington, D. C. Thursday of last week and found real spring weather prevailing, in fact, the snow on the mountains in southern California was the only snow he saw en-route.

"In commenting on his trip, Mr. Murphy said: "There is an awful lot of poor country in the south. Many towns we passed through looked like a lot of tumble-down shacks, but in every place there seemed to be a large brick building, probably the city hall or schoolhouse.

"We passed through considerable swampy country, water standing everywhere, the trees scrubby looking and hanging full of moss. Colored people were everywhere, and "lazy coon" is a good name for them. They sit around every station on the railings and fences. At New Orleans I saw steamboats full of negroes going up the river."

Mr. Murphy is at the Congress Hall hotel in Washington and will remain for the inauguration of President Harding.

FIFTY TRIAL JURORS FROM THIS DISTRICT

Names of 250 qualified citizens of Sonoma county to serve as trial jurors in the superior court for 1921, were drawn and accepted by the board of supervisors, each supervisor selecting 50 jurors from his district. This action was in compliance with the statutes.

The names, as made public by the supervisors, were:

FIRST SUPERVISORAL DIST.

Frederick H. Schlake, Lowell M. Kreshv, John R. Denman, Harry C. McKillop, David McClue, Petaluma; Conrad H. Arfsten, Robert J. Craig, Penngrove; William G. Brunning, Lewis M. Bish, Frederick J. Dado, Glen Ellen; John P. Serres, Serafina Canobbio, Frank A. Campbell, Agua Caliente; Guy J. K. Bigelow, Thos. H. Baines, David W. Corbin, John N. Dowdall, Jacob Steckmeyer, Oliver B. Southerland, Phillip D. Wheatland, E Verano; Jacob A. Mueller, Fetters Springs; Ferdinand M. Norbom, Louis Mouyer, Arthur Mosso, Adam Winkle Adler, Thomas Brown, Leland C. Brubeck, Theodore A. Keiser, James J. Maffei, John C. Picetti, Harry Quartaroli, Henry Weyl, William Helberg, Sonoma; William F. Helberg, Schellville; John J. Serres, Agua Caliente.

ENTERTAINED AT WOODLAND

Mr. and Mrs. Claude Johnson and son, the Froment family and the Paulis, were guests at the handsome home of the George Zanes in Yolo county over the last week-end. Mrs. Zane is a sister of Claude Johnson and the house party given for the Sonoma visitors was to compliment Mr. and Mrs. A. Froment prior to their departure for France.

LEFT HUSBAND $5 IN HER LAST WILL

Rosalie Vigne Wills Estate of $2840 to Her Own Relatives.

Rosalie Vigne, who died at her home near Buena Vista some weeks ago, cut her husband, Marcelin Vigne, off in her will with a bequest of $5. Her brother, August Pellissier, offered her will for probate Monday in the superior court of this county and asks for letters of administration. Other brothers and a sister survive deceased in addition to the husband.

The Vignes were living together at the time of the wife's death although there were rumors of incompatibility between the couple.

The will offered for probate is written in French.

August Pellissier, the brother, is left $1,000; Jean Pellissier, a sister, $500; the Sonoma Branch Red Cross, $100; Marie Berthold, another sister, and the two above mentioned, equal shares in the real estate.

A handsome monument is being erected in the Catholic cemetery by the family of the late George Laux for the young hero of the world war who came to a tragic end here after serving his country overseas. Contractor Pete Basaglia is putting up the monument.

Sonoma Business Men's Association Had Visit From Progressive Neighbors

SANTA ROSA CHAMBER OF COMMERCE AND MOVING SPIRITS IN NEW VALLEY OF THE MOON CHAMBER OF COMMERCE MEET WITH LOCAL ORGANIZATION MONDAY NIGHT.

The Sonoma Business Men's association had the honor Monday night of a visit from a delegation of progressive neighbors, the Santa Rosa Chamber of Commerce, and the moving spirits in the new Valley of the Moon chamber of commerce being present and participating in discussion on good roads and kindred topics of mutual interest.

The Santa Rosa delegation urged the continued effort for the state highway from Schellville to Santa Rosa and advocated harmony and co-operation to achieve the desired end.

The proposed speedway which is to make Sonoma county the mecca of auto enthusiasts was boosted and President Clewe will appoint a committee of five Sonoma representatives to appear before the board of supervisors to urge an appropriation for the project. The Santa Rosans brought a reel of pictures showing the speedways at Los Angeles and Fresno and they were reproduced by courtesy of John Mohr of the Don theatre. The first motorcycle race on the Fresno speedway drew a crowd of 10,000 people.

The plans for a big valley-wide organization to be known as the Valley of the Moon chamber of commerce was outlined by George F. Darling of Boyes Springs. Mr. Darling spoke earnestly and enthusiastically on the benefits to be derived from such a body. The Boyes Springs people were already signed up and will do everything they can to foster the project for general promotion purposes. The new organization would not absorb any of our present bodies but would unite with them in a splendid boosting campaign to better and make wider the fame of the whole Sonoma valley. It is planned to incorporate, and a charter has already been sent for. Every one in Sonoma valley will be eligible for membership, and ultimately the organization aims to have a secretary on the job and to establish headquarters where information may be had on the Valley of the Moon, and some of our products will be on display. The plan was well received by the Business Men's association, who will co-operate to make the Valley of the Moon chamber of commerce a big success. Messrs Wagner, King and Blomgren of Boyes attended the meeting with Mr. Darling and are actively at work getting the preliminaries to permanent organization perfected.

REAL ESTATE ACTIVE

R. H. Ring has sold his ranch to a Sonoma county purchaser named Vestal, who had recently sold his own ranch and is said to have reinvested $36,000 in the fine orchard at Buena Vista.

Phil Leiser of the Mission Garage is laid up with a lame knee and can not get down to his work.

BOY SCOUTS ENTERTAIN

The Boy Scouts of Sonoma met on Tuesday night at the Methodist Episcopal church parlors to entertain their parents in the work they are doing. A goodly number of parents were present, but not as many as should be for such an occasion.

The following program was carried out:

Opening exercise, music by the boys; Scouts' Oath, repeated by all; roll call, each Scout answering by repeating the law they represent; The Origin of the Flag, Walter Carter; The Use of the Flag in Signaling, Cecil Hunter; The Use of the Flag (the Morse Code), Robley Harbot; Allegiance to the Flag, part 2, all Scouts; Artificial Respiration, Boxing the Compass and a Knot Tieing Contest, seven knots being tied in 57 seconds; music by Robley Harbot; FIRST AID—Spiral reverse, roller bandage (broken leg, broken arm); chin bandage and head bandage were applied; an improved stretcher was made to carry the patient, etc.; violin duet, George Reed and Wm. Rambo; Fun and Frolic, the heavy lifting contest.

Two of the executive officers were present Mr. Clewe and Mr. Cameron. Mr. Clewe gave a very interesting talk to the boys and their parents.

After the program the tables were spread with a fine repast to which all paid respects, and went home feeling better toward the great movement.

WM. BURCHETTE,
Scout Master.

City Trustee George Breitenbach received a letter this week from A. E. Tower, former wealthy resident and still a property owner in the Valley of the Moon. Snapshots of Mr. Tower taken at his handsome country estate in New York state show him to be looking exceedingly well.

Mrs. Wesley Trudgen and little daughter went to San Francisco this week to meet Wesley, who has just returned from a long voyage, in the service of the merchant marine.

CHESTER HAD THE GRIP; NOW JUDGE SMALL HAS IT

W. Chester, prominent in water circles of Sonoma valley, had the embarassing experience of being confronted by the deputy sheriff at Sausalito one day last week and shown a warrant alleging that he had the grip of Mrs. M. Tierney, who accused him in a formal complaint of larceny. The grip was in the possession of Chester as he was about to board the ferry, and he explained that Mrs. Tierney had loaned it to him. The trouble over the hand bag, which is valued at something like $20, follows the friendship which had existed between Chester and Mr. and Mrs. Tierney, which terminated when Tierney, as an employee of the water company, could not get money alleged due him and brought suit for it. Mrs. Tierney alleges that she demanded the return of the handbag she loaned Mr. Chester and could not get it back, hence the warrant.

Chester promptly appeared before Judge Small and was released on bail. Now Judge Small has the grip.

SONOMA'S NEW GARAGE RIVALS COUNTY'S LARGEST

Contract on Griffith Improvement to be Completed Within 60 Days. Wreckers Demolish Union Stable, Old Landmark.

Sonoma is to have one of the largest and most commodious concrete garages in the county when Contractor George Riley completes the new B. and G. garage on the Griffith property, so long the site of the Union livery stable. The old landmark was demolished this week to make way for the modern building to be completed within sixty days for the enterprising young garage men, Steve Griffith and Peter Boccoli, Jr. Contractor George Riley has had a big crew of men at work tearing down the livery stable and will put 15 concrete workers on the job as soon as the construction work calls for them. In addition he is to employ many local men in order to complete the job within the time specified in the contract. The garage will accomodate 200 machines.

As the wrecking crew began to level the old livery stable Monday morning, many old timers who long made it their headquarters in the day of Granville Harris and Joe Ryan looked regretfully on, and some took snapshots of their former trysting place, which will soon be little more than a memory.

The new garage expects to be ready for the spring traffic and its promotors plan the most complete and up-to-date service station.

The Native Daughters will have initiation ceremonies Monday evening and a week later expect a visit fromtheir Grand President. A benefit for homeless children of the order is to be an event of next month.

Deputy Sheriff Joe Ryan was a visitor to San Francisco Wednesday.

WHAT ASSEMBLYMAN HURLEY OF OAKLAND SAYS OF TAX MEASURE

Assemblyman Edgar S. Hurley of Oakland, president of the Central Labor Council, has the following to say of the King tax bill, which he vigorously opposed at Sacramento:

"For many years the politician has played to the plaudits of the people by claiming he was soaking it to the corporations;; in fact, it has become politically popular and expedient to cry against the corporations, and while most of the corporations have gone beyond the bounds of reason in many instances, they are, nevertheless, an economic necessity, and it is time to quit using them as a political battering ram, and lay wide open all questions so that the people may see through them..

"The cry that the corporations are being taxed was pure bunk. They were merely to act as the tax-collector, as in this instance you were to pay the tax those of you who are users of utility service would pay this tax, for the railroad commission permits the tax to be passed on to the consumer.

"They guarantee the corporations eight per cent. on their investment, clear of all operating expenses; and taxes are held by the commission to be part of the operating expense. So in this particular case it was a case where the greatest amount of feathers could be plucked with the least possible quacking of the goose. You were to be the goose; your money the feathers."

—o—

The East must be awakened to the danger of the Japanese penetration of America. They are fooled on the Atlantic even as we were on the start. The Japs, seemingly so inoffensive and a novelty, wormed their way in very adroitly before we awoke to the fact that they were actually edging the white man out The expose of their ways must be made with such a punch that all the United States will be alive to the necessity of laws to protect these shores from the influx.

—o—

CALIFORNIA WANTS NO HARRIS ACTS

Actuated by the same spirit, Chester Rowell, Wm. D. Stephens, Dr. Briggs and other kindred obsessionists, are determined to saddle the expense of national prohibition enforcement upon California taxpayers. The California citizen is as loyal and good an American as can be found anywhere, but refuses to aid and abet, or sanction, a measure which he deems un-American. The national "dry" law put into effect without direct referendum he must submit to, but when it comes to subscribing to its sentiments through the ballot and agreeing thereby to pay the bills of detectives and police court sessions he refuses flatly. It is safe to predict that seven-eighths of the state police power today would not be in in sympathy with the measure they would be called upon to help enforce. The people realize this and do not propose to make hypocrites or worse of these officials, or sick the law on their neighbor whose glass of wine they accept, and whose hospitality and citizenship and code of honor measure up to every standard other than that of the arbitrary reformer. Let us be thankful for the persistence of the intensely western independent spirit of Californians.

—o—

When the public utilities charge up increased taxation to the people by raising their rates, the people resent the treatment accorded them by the corporations and hurl torrid invectives at their toll gatherers. The arch villian in the background may be the administration and its tax exactions, but the average citizen, looking over his electric bill and at his railroad ticket, loses sight of the main source of the rising cost of the public service he is getting and the demagogues at the feed bin do all they can to muddle him.

Since the railroad commission allows the corporations to figure in taxes as legitimate operating expenses and figure a fair return on investments accordingly, it should be plain that the higher the taxes on corporations the higher their rates and prices will be. Economy is the only solution, agreeable to everyone, too, except commissions, machine politicians and other public barnacles

—o—

With 14,000 men back at work on "flivvers" in the Ford factory, it looks as though the world would "ramble right along" despite the talk about unemployment and hard times.

We are loath to believe, but must, that some of our most saintly citizens are drinking "jackass"; for otherwise how could they do such a lot of braying about the Sonoma post office?

A LONG DISTANCE PARTY CALL

A prominent young lady of town felt like a clown when she was called to the phone the other morning at 1 a. m.

* * *

It was a long-distance call. She found herself on a party line. That is, her friends called her up, from Los Angeles where they were having a party.

* * *

And it was "some" party, too. Quite convivial, and she heard all the joyousness and jazz in between the conversation over the phone and says her only regret is that she was not a prohi-sniffer. For she said she almost got the aroma of clinking glasses in between the wheeze of the accordion, and almost smelled the smoke and fromage de brie. Isn't it wonderful, the progress the telephones are making!

* * *

"Yes," she sighed, "if I'd a had the training of a booze sniffer I would have enjoyed that party call. But as it was, it was tantalizing. Believe I'll attend a school of the breathascope gentry, verily, prohibition is setting a wonderful pace and example.

BOYES SPRINGS NEWS

The "Red Devil" and the "Valley Angel" will have a new home by the time the new Boyes Springs and Valley chemical engine gets here. The lumber for the new engine house is already on the ground, and the carpenters will soon be on the job. The new chemical engine is due to arrive on Saturday, March 12th.

The "Boyes Springs Official Car," with the following officials, to wit: Judge Small, of Sonoma City, "Mayor" Minges, Post Master E. Wagner, "Chief" Cause, Mr. and Mrs. Geo. Darling, Eddie Barron, Wm. Fitzgerald, Prof. Harry Lange, and the official chauffeur, Mr. Long, took in the Petray memorial benefit on Tuesday at Santa Rosa. All enjoyed the base ball game, the trip and the day. The car was nicely decorated and was the cynosure of all eyes en route.

The "Sofos" and "Pinochle" twins, Sheppard and Chambers, spent a few days at Boyes Springs this week.

The Salt Lake base ball team is due to arrive at Boyes on March 1st to begin training. There will be quite a few new faces on the team this year, as quite a few of last year's team have gone up into the big brush. Among the new players will be "Wooden Shoes" Cravath, last year's manager of the Philadelphia Ammerican League team. Coma out and look them over.

"Duffy" Lewis, our "Duffy," left on Wednesday to join the Washington, D. C., American League team at Hot Springs, Arkansas, to go into training. "Duffy" laid over one day to take part in the Petray memorial benefit of which he really was the promotor. Good luck to "Duffy."

Business is very good at Boyes Springs hotel, over thirty guests having registered at this popular resort last Sunday.

"Chief" Cause kindly asks all that have signed their names for donations toward the purchase of the new chemical, and have not paid up as yet, to kindly remit check or P. O. order for the amount signed for, as the new chemical will be here in a few weeks, and the first payment must be made. Kindly pay attention.

Dr. Gaston, of San Francisco, has been a guest at Boyes for the last two weeks.

THE "CHIEF."

PROBATION DENIED AND BOYS GET SIX MONTHS SENTENCE

The plea for clemency and probation in the cases of Tom Farrell and Dan Kennell were denied by Judge Seawell at Santa Rosa last Monday, who meted out a six months sentence to the boys. Attorney Frank Sprague made a strong plea for his clients, pointing out that they were honest and industrious, and with their characters in the formative stage they might prove good citizens after the lesson already learned. The judge, however, was unmoved and declared that he was lenient in not dealing out the maximum penalty for the offense. The charge against the prisoners was assault with intent to do great bodily harm to one Bert Brown, a musician, at one of the resorts. The attack to which they plead guilty occurred last Hallowe'en.

JOE MCMULLEN HEADS INDUSTRIAL LEAGUE BASEBALL

Joe McMullen, former Sonoma boy but for the past few years well known in amateur baseball circles of San Francisco as manager of teams and news writer for the Bulletin has taken the commissionership of the Industrial Athletic Association. The Associated Oil Co., Baas Heuter Paint Co., Crane Co., American Can Co., and other big firms will have good teams in the Association this season and that they will be in good hands under the direction of Joe McMullin goes without saying. Many games are scheduled for the spring.

The San Francisco papers declare that Joe McMullin is the best informed man on semi-professional baseball around the bay.

The young man is the son of Mrs. W. B. Hays of this place.

Mrs. Eliza Shepard of the London ranch has been visiting in Los Angeles the past week.

Dr. L. B. Lawson, optometry specialist, of the Lawson-Rinner Optical company, Santa Rosa, will be at Simmons' Pharmacy Monday, Feb. 28.

DEATH TAKES FATHER OF FIVE CHILDREN

John Ritzman, a resident of Kenwood and a relative by marriage of ex-Supervisor J. H. Weise, died in San Francisco last week and was buried here Sunday. Death was the result of an incurable illness with which he had long suffered. Deceased leaves a widow and five children to mourn his passing. A number of old time friends and neighbors from the Glen Ellen-Kenwood section attended the funeral in addition tothe family. Mrs. Ritzman is a half sister of J. H. Weise.

Ritzman was a native of Switzerland aged 54 years.

ENGAGEMENT IS RUMORED

The engagement of Miss Bessie Venton, popular bookkeeper at the Maffei market, and Wesley Bish, of Chico, is rumored. Mr. Bish is a nephew of L. M. Bish, and while visiting at Madrone met the charming Sonoma valley girl whose promise he is said to have won.

Those to whom the romance has been confided declare that wedding bells will ring out some time this summer.

ADVOCATE SCHOOL CONSOLIDATION FOR UPPER SONOMA VALLEY

At a well attended meeting last week in Glen Ellen the matter of school consolidation was taken up and urged for the upper end of Sonoma Valley, where the small schools are a problem. The new plan advocated by Mr. Baker of Kenwood and others would consolidate Glen Ellen, Dunbar, Enterprise and Kenwood districts into one fine school.

Glen Ellen district has its problems and the little school houses in Dunbar and Enterprise are facing the possibilities of no attendance next year as all the pupils will graduate

The modern consolidation idea has made quite an appeal.

Miss Rose Pagani has invited a number of friends to a party at her home, "Wildwood," tonight.

Dr. Burnett spent the last week end in the bay cities.

Adam Bianchi and his wife, the talented vocalist of San Francisco, came up this week to see Mr. Bianchi's uncle, S. Cucci, who has been critically ill.

S. P. CUTS OFF DAILY TRAIN

Official announcement was made Monday by the Southern Pacific Railroad company, that effective next Sunday morning the branch from Vallejo will have but one passenger train a day. The train will arrive from Vallejo at 11:15 a. m., and returning leave here at 2:25. The layover will be at Vallejo for the night.

There have been two trains a day ever since the road was opened, and the change will come as a surprise to the patrons of the line as well as residents along the line.

There will thus be but one train via the S. P. to San Francisco from this valley—an afternoon train leaving El Verano at 3:12. If you want to come to Sonoma valley from San Francisco or Oakland via S. P. you must take the morning train arriving here at 10:52.

Mrs. E. G. Lynch and little son, Bobby, are down from Mendocino county visiting at the W. L. Murphy home.

Mr. and Mrs. Charles La Torres had the pleasure of a visit from their daughter, Providence, last Sunday.

MRS. JACK LONDON AND ARABIAN HORSE PICTURED IN ANNUAL

The Oakland Tribune features on its front page in beautiful color work a picture of Mrs. Jack London cantering over the London ranch, Glen Ellen, on her beautiful Arabian horse. Oakland claims the Jack Londons and declares Mrs. London typifies the true California spirit.

While Oakland may claim her, Sonoma valley has the honor of having Mrs. London reside right here in the Valley of the Moon and the hillside of her beloved ranch here is the resting place of the ashes of the late author. Just over the knoll from the hallowed spot, Mrs. London has been working on the wonderful biography of Jack London she has lately completed and sold to the publishers.

Without any sentimental bias, the book promises to be a startling revelation not only of the real Jack London but of the extraordinary pen power and insight of Charmian London.

Mrs. Burmeister of El Verano will entertain the Flying Needles on the 2nd. The previous meeting was on Broadway at the home of Mrs. Paul Robin, who proved a most gracious hostess.

Miss Iva Heino of Mill Valley and Frank Engler, of Santa Rosa, were visitors at the George Engler home last week.

Mrs. L. McElroy spent the week-end at the home of her daughter, Mrs. O. W. Hall, in Novato.

EL VERANO HAD GOOD ROADS MEET

The people of El Verano assembled at the moving picture theatre there Wednesday night and heard the Glen Ellen boosters outline their plan to have the highway go through Glen Ellen and El Verano. H. M. Wright and Al Weaver were speakers.

A general discussion of the Schellville to Santa Rosa highway will be held in Santa Rosa the coming week with representatives from the Santa Rosa chamber of commerce to agree on a plan of procedure.

SONOMA THEATRE PARTY FOR "WAY DOWN EAST"

A number of Sonoma folks have made up a theatre party for Monday evening and will witness "Way Down East" at the Hippodrome in Napa. Among those who are going over are Mrs. Pauli, Mr. annd Mrs. Roy Pauli, Miss M. Goodman, Miss Edna Cooper and George Stickel.

CASTAGNASSO AGAIN IN VEGETABLE BUSINESS

On March First the Sonoma Vegetable Garden will again be conducted by Henry Castagnasso & Co. Mr. Castagnasso will be pleased to meet his Sonoma patrons and friends.-Adv.

What Is a "Fair" Tax Rate?

Suppose you own a shed worth $100.

Suppose you pay $1 in taxes on this shed.

Your tax rate is, clearly, 1 per cent. on actual value.

If you pay $1.63 in taxes on your shed, your tax rate is 1.63 per cent. on actual value, and this is what State officials say our average tax rate is. To be exact, the rate is given as $1.632 on each $100 of actual value.

That's all there is to this taxation question.

What Should Utility Companies Pay?

Now apply the same process to public utility companies, from whom the State collects a tax that is passed along to all citizens. For example, the Seavey Tax Commission's valuation on operative properties of railroads and street railroads is $519,620,000, in 1916. On the same basis used by Mr. Seavey they are worth less today.

If they paid like the average citizen, $1.63 on each $100, they would have paid the State, in 1920, $8,480,000.

As a matter of fact, theypaid in 1920, $10,122,000, or an excess of $1,642,000 over the 1.63 rate. In other words, they are paying, not 1.63 per cent., like anyone else, but 1.94 per cent. on the Seavey Tax Commission's valuation of their properties.

Now our state officials demand that the taxes on public utility companies be still further increased.

A Fair Proposition

If these companies are not now paying their fair share of the proper cost of State government, they should do so. If they are not paying what they should pay, the tax burden on the public should not be increased. This situation demands facts and fair play.

The Facts Are These:

Today—to use the same example—railways and street railways are paying taxes at the rate of	**$1.94**
In 1916 the Seavey Tax Commission estimated the tax paid by railroads and street railroads, as compared with the value of their properties, at	**1.30**
An increase, since 1916, on each $100 on the Seavey valuation of	**$ .64**

or, in percentage, an increase of 59 per cent. over the 1916 rate.

The average citizen's direct taxes have increased, meanwhile, 35 per cent. on property which is like that of the public utilities, in that it has not increased in value.

Our Citizens Must Decide

It is for all citizens to decide whether the indirect taxes they pay throuh public utility companies shall be again increased when these companies are already paying at the rate of .59 per cent. more on the Seavey valuation than they paid in 1916. Be not deceived. This is your affair. The money collected through public utilities is charged back to you in the cost of food, clothes, rent, light, heat, interest rates and transportation—in everything you buy.

No Ad Valorem Tax

Remember:

No revenue deficit exists.

No ad valorem tax is needed.

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

VINEBURG NEWS

Miss Margaret McDevitt was the welcome guest of her cousin on Thursday.

The farmers and orchardists in this vicinity are now busy and are taking advantage of the present spell of fine weather.

Miss Mary Batto returned home on Monday last after several weeks visit to friends and relatives in the Metropolis.

Two of Sonoma's fairest little "blue belles," Misses Edna Pozzi and Elizabeth McDevitt, were exchanging greetings with their little friends in this vicinity on Saturday last.

Mr. Walter Bundschu, one of our most progressive citizens, returned on Saturday last from a trip to eastern California and Nevada, going as far as Carson City. Mr. Bundschu enjoyed the trip and was much impressed with the capital of the Sage Brush state.

Since the first of January the shipments of eggs from this point have been the largest for a number of years, and the amount seems to be increasing.

The high school base ball team this season will have at least two star players from this part of the valley, their battery being Fred Schell in the pitcher's box and Hester Ring behind the wood.

Harry Andrieux, who sails the billowy deep as one of the crew of the John D. Spreckles yacht, Venetia, was in town over Sunday. The crew comprises over thirty jolly tars.

Messrs. Fred Batto and Charles McDevitt returned from a ten days' trip to the summit of the Sierra Nevada Mountains on Tuedays last. Both gentlemen report a fine time in the snow. Sonoma's ex-city trustee, Mr. McDevitt, whose great delight in skiing is sure the poetry of motion, is said to glide along as gracefully as a Russian ballet dancer when she is dancing the fox trot on a barbed wire fence.

ADDRESS YOUR LETTER TO

B. M. Meller

516 Gough St., San Francisco

Why

automobile manufacturers say "clean your crankcase *regularly!*"

Engine operation causes steady accumulation of road dust, carbon, fine metal particles, and other impurities in your crankcase oil. This contaminated oil circulates through your engine, impairs its performance and ultimately leads to rapid depreciation and repairs.

Your Instruction Book says, "flush out the crankcase regularly and refill with fresh oil." But these important instructions are often disregarded; cleaning the crankcase is a job generally disliked.

To meet this need, Modern Crankcase Clearing Service has been established by first-class garages and other dealers, co-operating with the Standard Oil Company. These garages and dealers use Calol Flushing Oil, —the scientific agent that cleans out old oil, dirt, grit and other impurities, and does not impair the lubricating efficiency of fresh oil used. The cleaned crankcase is refilled with the proper grade of Zerolene.

Look for the garage or dealer displaying the sign shown below, — it means *"Better operation and longer engine life,"* a service promptly given at a nominal cost.

PICTURE PRODUCED HERE SHOWN AT SACRAMENTO

Sonoma folks may be interested to learn that the moving picture play that was filmed in Sonoma about a year ago, "The Midlanders," is now being shown in California cities and is the attraction at a Sacramento theatre. F. W. Cooke of Healdsburg, who was employed on the Index-Tribune at the time the the movie people were enacting their scenes for "The Midlanders," and now in Sacramento, writes that he witnessed the production one night this week.

FROMENTS TO JOIN THEIR DAUGHTER IN EUROPE

Mr. and Mrs. A. Froment and little daughter, Marguerite, left this week on the first stage of the journey which is to take them to New York and thence across the ocean to France, where they will spend several months. They will join their daughter, Miss Eugenie, who is visiting relatives at Mante, and the travelers will return hame together.

The Froments carry the best wishes of many friends throughout Sonoma valley on their journey. They have been the motif of several delightful social affairs duringthe weeks preceding their departure and also entertained on several occasions the friends whom they leave behind with much regret.

Since his retirement from business Mr. Froment has been planning the fine trip abroad, and when Miss Froment decided to accompany her aunt, Mrs. E. Legallet, back to France, the family made up their mind to follow later.

Mr. and Mrs. Froment will be greatly missed here. They are among Sonoma's most prominent and hospitable families and their home has been the mecca of a coterie of friends who enjoyed the most delightful entertainment accorded by Monsieur and his gracious wife. Their absence, though temporary, will leave a void in the community hard indeed to fill. The Index-Tribune joins with many friends in wishing Mr. and Mrs. Froment and Marguerite bon voyage.

NOTICE OF WATER MEETING

To the People of Sonoma and Vicinity:

A water meeting has been called on Tuesday evening, March 1st, at 8 o'clock at the City Hall for the purpose of laying more fully before the people of Sonoma the proposition of the merger of the water companies as recently announced in the Sonoma papers.

The purpose of this meeting is not to ask the people of Sonoma for any money in financing this merger. The sole purpose is to bring together those who are interested in water, in order that this far-reachinng plan may be more fully explained than it is possible to do in newspaper articles.

It is earnestly desired that everyone in any way interested in water be present at this meeting, and it is requested that notice of this meeting be given the widest publicity possible.
